

LA LLAMA

This is a map of land parcels, likely in a rural or undeveloped area. The parcels are represented by light gray polygons with black outlines. The map is oriented with a white background. A prominent road or path, labeled 'CAMINO SANTA TERESA', runs diagonally from the bottom left towards the center. To the left of this road, there are several large, irregularly shaped parcels. One of these parcels is labeled 'PICACHO'. To the right of the 'CAMINO SANTA TERESA' road, there are more parcels, some of which are labeled 'LA LLAMA'. The parcels are of various sizes and shapes, suggesting a non-uniform land distribution. The overall layout is somewhat chaotic, with parcels of different sizes and shapes interspersed along the road and in the surrounding areas.
